

## **Yellow Dog Flowers and Produce**

W1565 State Road 92, Brooklyn, WI 53521

### **Farmhand Job Description** (part-time, seasonal)

2024 Season

**About us:** We're a small family farm in Brooklyn, Wisconsin, a half-hour south of Madison. We grow a wide range of fresh vegetables and beautiful flowers using sustainable organic practices. We offer weekly CSA (community supported agriculture) veggie boxes and fresh flower bouquets delivered to the Madison area.

**What you'll do:** As a farmhand, you'll work closely alongside the farmers in every step of the farming process. You'll be an essential part of our farm operation and see the entire growing cycle from seed to harvest.

**Duties include:** rototilling, field prep, laying landscape fabric and irrigation, installing fencing, planting seedlings, seeding, weeding, mulching, watering, fertilizing, pest control, harvesting, washing and prepping vegetables, packing CSA boxes, cleaning and composting. We work in all weather, so dress for comfort and mobility. The work involves squatting, lifting, carrying, hauling and repetitive motions.

Additional duties may include making CSA deliveries and/or working farmers' markets on the weekends.

#### **Hours/Schedule:**

Thursdays and Fridays generally 8am - 4:30pm, with a half-hour paid lunch break. Saturdays from 8am to 2pm in summer. Sunday hours negotiable in summer.

**Farm season:** Starts mid-April and runs through the end of October

**Pay:** \$15/hour, paid biweekly, and a free CSA subscription. Veggies, flowers and eggs! Sunshine! Beauty!

**What you'll bring:** An interest in organic farming and horticulture, a willingness to work hard and learn new things, a positive attitude, good communication skills and reliability. Driver license and safe driving record.
